

Hukoomi for Persons with Disability

<http://portal.www.gov.qa/wps/portal/disabilityqa/MadaHome/>

This portal is developed as an initiative from Qatar Assistive Technology Center Mada and in collaboration with Hukoomi.

Hukoomi for Persons with Disabilities (PWDs) connects PWDs, their families, caregivers and service providers with useful resources and topics such as finding suitable educational services, institutions offering disability benefits, where to go for specialized health care and rehabilitation services.
